HOLIDAY GIFT BOXES!

We've teamed up with Blanchard's Coffee and Everything Tiny to bring you a unique gift box that's great for an entire family! Well, an entire small family, anyway.

Each **\$35** project: ORIGIN gift box includes:

- **12 oz. Blanchard's Holiday '09 Blend**, an exotic blend of South American, Indonesian, and African coffees. It's a mild roast with, spicy, bright notes.
- **A project: ORIGIN t-shirt** (Sizes S-XL) – White, with our logo on the front!
- **A Deluxe Tinysaur Model kit** from Everything Tiny (www.everythingtiny.com). These dinosaur models are, well, tiny. They are also hand-made by a good friend of Tom's (and her laser), so you're helping to support a fantastic artist as well! Because nothing says ORIGINS like DINOSAURS. (Not recommended for children 10 and under). It comes with tweezers and glue, so you'll have everything you need!

You get to choose your grind preference for the coffee, t-shirt size, and Tinysaur model!

The total retail price of all of these items would typically be about \$40, so not only are you getting a great discount, you're also giving approximately \$18 of your purchase back to project: ORIGIN. 2010 will be our first full year, and we're excited to start successfully, especially with all the help we want to give Sandra Farms in their down time between coffee growing seasons so that their next season will be a total hit.

You'll be able to give your gift box in one of the following ways:

- Ship it using **USPS Priority Mail** (shipping *not* included in \$35 price)
- **We'll hand-deliver** it anywhere in Richmond, VA (\$5 fee)
- **Pick it up** and do with it as you will!

All shipped or hand-delivered boxes can include a brief personal message that we'll hand-write for you!

To get started head over to:
